**ALMAS SHRINE TEMPLE**

**YOU ARE INVITED TO ATTEND THE 2019 ANNUAL NCCMP LAWYERS AND ADMINISTRATORS MEETING.**

Our Lawyers and Administrators Meeting brings together technical experts and plan professionals on both multiemployer health and pension plan topics to discuss the cutting edge issues facing our plans. Attendees participate in forums with representatives from the government agencies with jurisdiction over multiemployer plans to foster open dialogue between the multiemployer community and agency representatives on issues important to you.

We will feature discussions with government officials in the morning and presentations from technical specialists in the afternoon, while preserving time for discussion of the issues you bring to the table.

Meeting materials will be available at our website, and wifi service will be available to access materials during the meeting.

As in past years, we have invited speakers from the Treasury, PBGC, DOL, IRS, and HHS to discuss their regulatory priorities and expectations for the coming year.

***This year's preliminary agenda has the following highlights:***

- A readout on the Joint Select Committee on Solvency of Multiemployer Pension Plans, lessons learned from the process, and a look forward at the outlook for multiemployer reform in the coming year
- An update on current issues in healthcare, including the various Medicare for All proposals
- A report on the current funded status of the PBGC, including the latest deficit projections, and estimated insolvency
- Invited speakers from Agencies with jurisdiction over our plans, including Treasury, DOL, PBGC, and HHS
