

The National Coordinating Committee for Multiemployer Plans (NCCMP), in cooperation with the European Association of Paritarian Institutions (AEIP) and the Multi-Employer Benefit Plan Council of Canada (MEBCO), and the World Pension Alliance (WPA) for the day devoted to pension topics, is pleased to invite you to be a sponsor of the 11th Transatlantic Conference in Lake George, New York.

Join us as leading experts from the United States, Canada and Europe exchange knowledge and expertise on topics such as *the increased global focus on ESG factors and “Green” investing in selecting and evaluating investments; pension solvency metrics, plan management tools, and pension backstops throughout the world; innovations in risk sharing plan designs; mental health in the workplace, including the opioid epidemic; approaches to medical marijuana with a particular focus on the changing legal landscapes in the United States and Canada; and a case study from Finland on the effectiveness of their holistic approach to disability.*

The Transatlantic Conference will include participants representing some of the largest pension and health systems in the world, plan advocates, plan professionals, labor leaders, employers, and government officials from around the globe.

We are delighted to offer these sponsorship opportunities to your organization. We hope you will be able to support this international event and select the package to suit your needs!
