

TOPIC: NCCMP Op-Ed

EXECUTIVE SUMMARY: NCCMP is pleased to report that yesterday Executive Director Michael Scott published an Op-Ed in Real Clear Markets. While we would have suggested a different title, the content was designed to (1) address clear misunderstandings that came out of the Ways & Means markup of The Rehabilitation for Multiemployer Pensions Act of 2019 (H.R. 397 or the Butch Lewis Act) which will reach a vote on the floor of the House of Representatives this week, and (2) to provide Congress a with a better understanding of the situation and the importance of a legislative solution in 2019.

The full Op-Ed is available at the link below.
